

# **THE WAMPLERS LAKE PROPERTY OWNERS' ASSOCIATION**

Dear Lake Neighbor,

## ***Wamplers Lake Needs Your Support!***

Help us maintain Wamplers Lake as a high quality lake, and make it the best it can be today and for future generations. Your support this year will help with the following:

- Maintaining property values
- Keeping invasive weeds out of the lake
- Maintaining water levels for safe boating
- Our work on lake issues with both townships
- Our requests to the DNR, most recently asking to dredge the channel at Hayes State Park, which was approved

We would like you to be a member in our organization and join your neighbors in caring for our lake for the minimal dues of \$30.

## **YOUR MEMBERSHIP DUES HELP OFFSET:**

- Lake manager cost
- Lake mailings
- Hiring of a water engineer to manage the levels of the lake (dam)
- Donation to Jackson & Lenawee Sheriff marine patrols
- Annual meeting to discuss lake matters
- New website monthly maintenance – [Wamplerslake.org](http://Wamplerslake.org)
- Annual picnic at Jerry's Pub

The WLPOA (or *Friends of the Lake*) started in 1920. Association members have responded with sewers, the dam, weed control efforts, street paving and lighting, collaboration with State park officials and camp leaders, drainage concerns, geese and swan populations, and numerous other challenges benefiting all owners.

Our township officials from Norvell and Cambridge are continuing to work together to manage the 5-year Special Assessment District for Wamplers Lake 'weed' control.

Restorative Lake Sciences (RLS) will present options/scenarios for approval by our Lake Association and township officials. These partners will continue to work together to manage and oversee the project, including monitoring the budget and expenditures of funds. Lake data and treatment plans will be publicly posted on the RLS website. A treatment will likely occur by late May or early June by a vendor recommended by and overseen by RLS. Expect that treatment dates will be made obvious to us and also posted on the RLS website ([www.restorativelakesciences.com](http://www.restorativelakesciences.com)). RLS wants everyone here at the lake to be well-informed.

**Last year's report on the 2017 Aquatic Vegetation & Water Quality is available at [www.wamplerslake.org](http://www.wamplerslake.org).**

For the latest lake news, visit [www.wamplerslake.org](http://www.wamplerslake.org).

What we do benefits the entire lake and all of those who support and enjoy it.

Best regards,

**Stan Diroff ([staridg@aol.com](mailto:staridg@aol.com))**

**President, WLPOA**

# ***WE NEED YOUR HELP!***

**We have a few Lake Committees that could use your input**

Weeds • Annual Picnic • Annual Meeting  
Special Assessment District • Dam • Boat Wash

**Anyone who has an interest in protecting our lake, we can  
use the help and ideas!**

If interested, please call or email:

Stan Diroff, President  
Staridg@aol.com

# WAMPLERS LAKE PROPERTY OWNERS' ASSOCIATION (WLPOA)

## ANNUAL MEMBERSHIP FORM:

The WLPOA Association is a group of volunteers that provide a resource to hear residents' concerns, to pass along information on topics that may affect our lake and to be YOUR watchdog and voice within the townships we reside in. We are also active at the state level to respond to changes that may impact our rights. There are many existing challenges that affect our Michigan lakes, and new challenges will certainly be in our future. Our mission is to understand and address those challenges, and respond with what is best for our Wamplers Lake community.

Please join us by starting or renewing your membership today (complete and return the form below).

With your membership, you also have the opportunity to subscribe to *The Michigan Riparian* magazine at a reduced member rate. This quarterly publication is dedicated to the management and wise use of Michigan's lakes and streams, with valuable articles and information addressing many topics of concern to those living on or adjacent to Michigan lakes.

**Please complete the form on this page. Please also enclose your \$30 check for your annual membership (\$42 if you would like to subscribe to *The Michigan Riparian*).**

Your membership is valid January 1, 2018 – December 31, 2018.

Checks can be made out to "The Wamplers Lake Property Owners Association, Inc."

Enclose form and check in an envelope and mail back to: WLPOA, PO Box 251, Brooklyn, MI 49230.

\_\_\_\_ Yes, I would like to receive *The Michigan Riparian* and I have included \$12.00 to help defray the cost of the subscription.
